

PUBLIC NOTICE

Printpack Inc. has applied to the Tennessee Air Pollution Control Division (TAPCD) for a [federally enforceable state operating permit](#) to opt out of being subject to the provisions of paragraph 1200-3-9-.02(11) of the Tennessee Air Pollution Control Regulations (also frequently referred to as Title V regulations). Printpack Inc. has agreed to be bound by a permit that limits their potential to emit for a hazardous air pollutant and combination air hazardous air pollutants such that they are below the applicability thresholds of 10.0 and 25.0 tons per year, respectively. Printpack Inc. has agreed to use record keeping methods to prove that they are abiding by more restrictive emission limits. However, it should be noted that this facility has a current state operating permit.

The applicant is Printpack Incorporated with a site address of 727 Anglin Lane, Jackson, TN 38301. They seek to obtain an operating permit for the commercial flexographic and rotogravure printing on flexible packaging.

The TAPCD has made the determination that this facility can be approved to opt out of being subject to Title V regulations if certain conditions are met. A copy of the materials used by the TAPCD in making this determination and a copy of the draft permit are available for public inspection during normal business hours at the following locations:

Tennessee Department of Environment and Conservation
Division of Air Pollution Control
9th Floor, L & C Annex
401 Church Street
Nashville, TN 37243-1531

Jackson Environmental Field Office
Division of Air Pollution Control
1625 Hollywood Drive
Jacksons Tennessee 38305-4316

Also, if you require a copy of the draft permit it is available electronically by accessing the TDEC internet site located at:

<http://www.state.tn.us/environment/apc/ppo/index.shtml>

Interested parties are invited to review these materials and comment. In addition, a public hearing may be requested at which written or oral presentations may be made. To be considered, written comments or requests for a public hearing must be made within thirty (30) days of the date of this notice and should be addressed to **Mr Barry Stephens, Director, Air Pollution Control Division, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531**. Questions concerning the source may be addressed to Jerry Swinea at the same address or by calling or (615)-532-0639. A final determination will be made after weighing all relevant comments.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.
